Def.: Workshop: work-shop- noun:

1. A brief intensive course for a small group emphasizes problem solving.

The “You Can Handle The Truth” series is not like any type of workshop you have ever been invited to. I don’t believe in all the hype of seminars such as “buyers or sellers seminars”, or “Real Estate Seminars”, or even “Mortgage Seminars”. I believe in passing on the **TRUTH** about the Real Estate industry with Hard Hitting topics that we assume we know, but too afraid to ask, such as...

1. Real Estate; why are you told you **HAVE** to pay 5-6% sales commission?
2. How do **ADJUSTABLE RATE MORTGAGES** work, and are they good or bad?
3. What is **“RISK BASED PRICING”**, and how does it affect me?
4. Why you should **NEVER** have a **PRE-PAYMENT PENALTY**, and what is it?
5. How to Read and **UNDERSTAND** a **GOOD FAITH ESTIMATE!** And what really are all the charges?

And the list can go on. In today’s fast moving Real Estate and Mortgage World we live in, we all seem to get caught up in the frenzy of what we are told is absolutes! What if I can share with you how it works, the pitfalls, the pros and cons, the good the bad and the ugly! What If by attending this workshop you are better prepared to tackle the biggest expense of your life with confidence and enthusiasm knowing you have the tools to combat even the toughest and/or nicest Real Estate/Mortgage Professional. Learn things that only people in the industry know...then you are one step closer to becoming a much more informed and educated consumer. Besides, what most Real Estate professionals seem to forget is **“IT IS YOUR MONEY THEY ARE SPENDING!!!!!!”**

Call me right away to reserve your seat for the “You Can Handle The Truth” Workshop. Seating is limited so don’t miss this opportunity to learn the secrets only the professionals know....
